Status: 07/10/2025

Notes:

1. Column "Driver" shows devices that are suitable to be used in applications where driver identification is mandatory. However, additional peripherals might be needed.
2. Column "For delivery motorbike" shows devices approved for installation in motorbikes.

IMPORTANT:

This list is ordered alphabetically. ITC strongly recommends transport companies to look at the entire list, obtain quotations from several suppliers, and compare their prices.

The listed OBUs can be installed for trucks and trailers as per the procedures and instructions of ITC.
